Re: United States v. Manuel Fernandez  
07 Cr. 1069 (LTS)

**MEMO ENDORSED**

Dear Judge Swain:

The Government writes to respectfully request, jointly with defense counsel, that the conference currently scheduled for April 4, 2008 at 10:30 a.m., be adjourned until a date convenient for the Court after May 2, 2008.

The Government requests that time be excluded for purposes of the Speedy Trial Act between April 4, 2008 and the new conference date. During this time, the defense will review discovery produced by the Government, and the parties will continue to discuss a possible resolution of the matter without need for trial. The Government makes this request with the consent of counsel for the defendant.

Very truly yours,

MICHAEL J. GARCIA  
United States Attorney  
Southern District of New York

The foregoing adjournment and exclusion requests are granted as in the interest of justice. The conference is adjourned to May 9, 2008, at 11:00 AM and time is excluded from speedy trial computations through that date.
